Haircolor How To: Recreate Julianne Moore's "Ronze"

This awards season, "ronze" has been all the rage on the red carpet. With hints of copper and auburn, this red-meets-bronze hue is likely to be a major trend in 2015, and is currently being sported by an array of A-list redhead, such as Julianne Moore. Below, **PRAVANA Global Creative Advisor Sherri Jessee** shares her tips on how to replicate the look.

Get the Look:

For a long lasting, vibrant "Ronze" on level 6 hair, use PRAVANA Chromasilk 7.44 + 6.43 with 10 volume Creme Developer.
