Formula: Julianne Moore's "Ronze" with PRAVANA

Red hair can be hard to achieve, but when done right, it can be marvelously multi-dimensional.

We never tire of Julianne Moore's cinnamon strands, which **PRAVANA** and its new **Global Creative Director Sherri Jessee** are dubbing "Ronze"—a combo of red and bronze.

Coppers are hot this year, so take note!

GET THE FORMULA: JULIANNE MOORE'S RONZE

If you're working with level 6 hair and are looking for rich Ronze, try:
