PRAVANA'S NEVO: HYDRA PEARL REPLENISHING OIL

NEVO Hydra Pearl Replenishing Oil by PRAVANA
PRAVANA's new NEVO Hydra Pearl Replenishing Oil offers a natural complex designed to nurture, protect and preserve the surface of hair with three ingredients found in the Amazon: Mulateiro Extract, Babassu Oil and Brazil Nut Oil. Using these naturally hydrating ingredients, Hydra Pearl Replenishing Oil fights frizz and infuses strands with moisture to lock in styles and shield against humidity.

Hydra Pearl Replenishing Oil can also be mixed and used in a variety of manners: adding a durable, smooth texture and shine to hair dyes, providing protection against hair damage when lightening, allowing for an easy-to-comb-through texture when applied to damp hair, and adding strength and moisture to all types of hair.
